NO TRESPASSING.....

It has been brought to the city's attention there has been activity on city property. For liability and personal injury reasons the city council is asking residents to stay away from the following areas: **Lift Station** located on the east end of Arthur St. & the **City Water Tower** located at the intersection of Arthur St & 1st St. The city is working on putting up signs to help mitigate this issue in the future. If you see any activity in & around these areas you may contact city hall.

Water Bills

The city offers automatic withdrawal for paying your monthly water utility bill. Stop by city hall to sign up, there is a monthly \$1 fee for this service. Other ways to pay your water utility bill ; cash, check or online at allpaid.com (debit or credit card; fees may apply).

Residents can sign up for EOW (*eye on water*) so you can log in to see your personal water usage each month. Stop by city hall to sign up. There is a monthly \$1 fee for this service.

Vincent City Government

Nomination papers are now available at city hall for any resident interested in being Mayor or on City Council. Contact city hall for more information.
