📢 Notice to Vincent Residents: Upcoming Tree Trimming Near Power Lines

Over the next several weeks, contract crews from Asplundh Tree Experts will be in our area trimming trees near power lines to prevent power outages and ensure safety.

What you need to know:

- **Notifications:** You should receive an automated phone call before crews begin working in your immediate area.
- **Property Care:** Crews use industry best practices and will only prune limbs necessary for safety and line clearance.
- **Debris Cleanup:** All leftover debris from this work will be chipped and hauled away by the crews.

Questions or Concerns?
If you have questions about trees on your property, please call MidAmerican at **888-427-5632**.

Thank you for your patience as we work to keep our community's utility infrastructure safe and reliable!
